

THE QUATERNARY OF THE WESTERN
HIGHLAND BOUNDARY

Field Guide

Edited by
David J.A. Evans

CONTENTS

Contributors and Excursion Leaders	iii
Preface	iv
Acknowledgements	v
Contents	vii

PART 1 INTRODUCTION

Bedrock geology and physiography of the western Highland Boundary D.J.A. Evans	2
Glacial geomorphology of the western Highland Boundary D.J.A. Evans, S.B. Wilson & J. Rose	5
Late Quaternary stratigraphy of the western Highland Boundary D.J.A. Evans & J. Rose	21
Late Quaternary sea level change and raised marine deposits of the western Highland Boundary:	
a) the delaciation of the lower Clyde valley: a brief review J.D. Peacock	30
b) Late Quaternary sea level change and raised marine deposits in the Forth valley L.K. Holloway & D.E. Smith	42
Paraglacial landscape evolution - the significance of rock slope failure D. Jarman	50
Interpreting Quaternary landscapes in the Loch Lomond and the Trossachs National Park E.J. Brown	69

PART 2 DAY 1

The Whangie and paraglacial landslides of the Campsie Fells D.J.A. Evans & J.D. Hansom	76
Croftamie: sediments and stratigraphy at the key section for the Loch Lomond Readvance J. Rose & M. Lloyd-Davies	81
Drumbeg: glacial sedimentology and tectonostratigraphy E.R. Phillips, C.A. Auton, D.J.A. Evans & D.I. Benn	88
Drumbeg: zooming in on Unit III (an alternative scenario for deformation phase D2) J.F. Hiemstra, D.J.A. Evans & D.I. Benn	104

Gartness: the stratigraphy of the Loch Lomond Readvance moraine ridge	
J. Rose	111
Muir Park Reservoir	
J.J. Lowe & S.J. Roberts	117
DAY 2	
The Torrie Lateglacial organic site and Auchenlaich pit, Callander	
J.W. Merritt, G.R. Coope & M.J.C. Walker	126
Tynaspirit	
J.J. Lowe, D.C. Norne, A.D. McGovern, S.J. Roberts & C.S.M. Turney ...	134
The Menteith and Buchlyvie moraines	
S.B. Wilson & D.J.A. Evans	150
Inchie	
D.E. Smith	154
Flanders Moss (Rednock)	
L.K. Holloway & D.E. Smith	155
DAY 3	
Corrie of Balglass	
E.J. Brown & J. Rose	158
Glacitectonized Ballagan Formation bedrock exposed in the valley of the Balglass Burn	
E.J. Brown & E.R. Phillips	164
Balglass Burn organic unit	
E.J. Brown & G.R. Coope	168
Analysis of diamicts at the Mount, Balglass: fabric patterns and significance	
S.J. Carr, E.J. Brown & J. Rose	172
Age and glaciological reconstruction of the Corrie of Balglass glacier	
E.J. Brown	179
Claddochside: raised marine shorelines in the southern shore of Loch Lomond	
J. Rose	184
DAY 4	
Geilston: Lateglacial and Holocene sea level change	
J. Rose	190
Tullich Hill rock slope failures, Glen Douglas	
D. Jarman	200
References	209

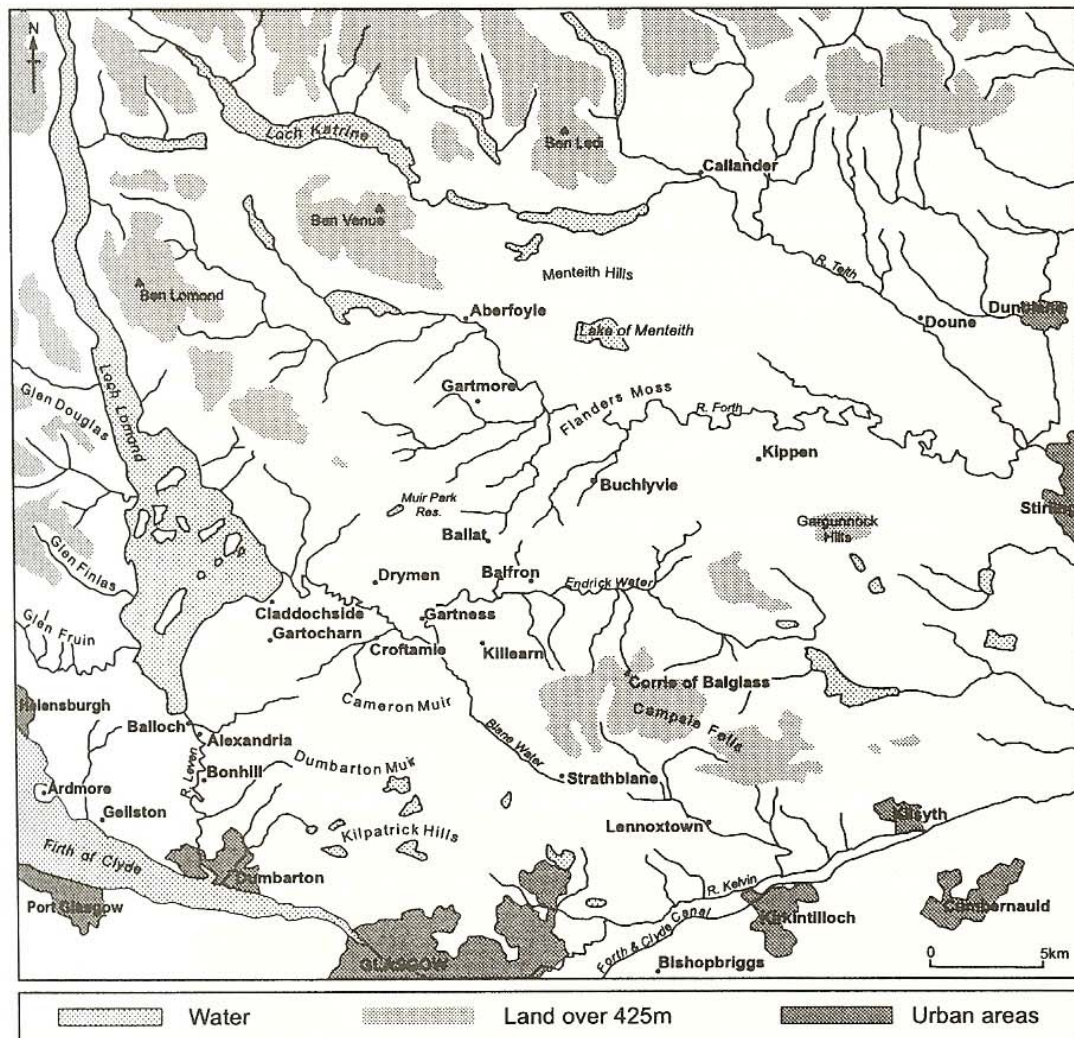

Figure 1. Location map of the western Highland boundary and environs as defined for the purpose of this field meeting.
